(when you sign up by 10/01/18)

## AFTER SCHOOL ROBOTICS FALL 2018-2019

Get a head start on coding and game building principles with Robot Coding Fun—and let creativity run wild!

In this program, the students will be working with some of the newest programmable STEM robots that will allow kids to learn through guided play in an exploratory and encouraging workshop environment.

We emphasize pressure-free creativity, with a focus on discovery and fun.

**\*Students build different robots every session\***
